#### Fire-Fighters Hold Annual Dinner

The third annual supper of the Fire-Fighters Assoc. will take place on May 6, 1957, at Tonnello's on Main St. Chairman of this social is Fran Cummings assisted by Kenny Holden and Richard Morriss. At this writing no reply is on hand from either Guest Speaker or invited guests. I will be better informed next week, and bring you more details then.

#### Elite Club Meets

The Elite Club met this week at the home of Mrs. James Love of Brown St. After their business meeting they all enjoyed a game of Cards and the following were the prize takers: Miss Joan Black, Mrs. Helen Black, Mrs. Mary Magnusson, Adelaide Kenny, Ann Martin. Refreshments were served by the hostess and the next meeting will be at Miss Irene Magnusson's home.

#### Farewell Party

On the Eve of his departure to Fort Dix, Jimmy Phalen of California Rd., was tended a farewell party by his family and friends at the South St. home of Mrs. Mary Magnusson. Friends from Town and out of town joined to send Jim off in great style. We hope all good luck follows you.

Fire Chief Anthony Obdens appeared before the Board of Selectmen last night to present an Article for the warrants of a special Town Meeting to be held on May 8. It is a report of the same article which was presented to the voters at the Annual Town Meeting, but which was placed on indefinite postponement. He wishes to purchase an Electric Horn with a stand-by generator, in case of power failure. Due to the fact the Finance Board has had not enough information at the time of the Annual Town Meeting, they recommended indefinite postponement, however at this time it seems with the present system not in the best working order it is more than advisable this new Alarm System should be O.K'd by a unanimous vote at the coming meeting. Chief Obdens explained this system in the beginning of an Alarm System as the set up is such that call boxes all over town maybe set up at a later date from just this kind of system. Something in the future but well worth every voters support right now.

The children have one day off this week, Friday, and start their Easter Vacation on April 22 through April 26.

### Crusader Newsboy

Gerald Paglia, 11, of 101 Nichols Street, is the CRUSADER newsboy in that area. Gerald is in the sixth grade at the Swain School, and as a hobby, collects stamps. Gerry is active in sports and played baseball in the little league in Quincy. His family moved to Wilmington from Quincy last November.

#### Memorial Day Committee Meeting

There will be a meeting of the Memorial Day Committee on Friday, April 19, at 8:30 p.m. at the D.A.V. Hall, on Grove Avenue. Commander James Shine, of the D.A.V. wishes that all members of the committee attend as the time element is growing short.

### TOWN ORGANIZATIONS COME FORTH TO HELP

#### News From Chief Lynch About Street Lights

Due to many residents calling the police department to report a streetlight out... and then have us call the Reading Light... it has become quite apparent that some of the calls that we receive and then pass along to the Reading Light are not handled as they should be... and the result is that the person who called notices that after three or four days the light has not been replaced... and the caller feels that we did not pass the information along to the Light Company.

So, I respectfully recommend that the following procedure be followed in the future.

That if you notice a street light out... pick up the phone and dial 47... call the Reading Light at Reading 2-0019... and then make the report yourself.

Doing it this way will assure you that they have been called. Then if you see no results in two or three days... call us and let us be of some definite service to you.

#### Get Acquainted With Scouting Meeting

Have you ever wished that your boy could become a scout. He can have that chance now, because V.F.W. Post 2458 is organizing a boy scout troop. Before the boys can join, however, a lot of grown folks need to know what scouting is all about, and how to use it to the best advantage.

We are going to meet at the post quarters on Main Street, Monday, April 29, at 7:30. It will be a get acquainted with scouting, meeting, for all interested parents and all others, who would like to see a boy scout troop formed in the neighborhood.

For an interesting evening, and to make it possible for your boy to have scouting, be sure to come.

The appeal of the Board of Selectmen for representatives of civic and service organizations to meet with them brought fifteen public residents to Town Hall on Monday evening. Appointed chairman of a committee to represent the townfolk was Mel Southmayd. James Fairweather was appointed secretary and Henry Filippone, publicity. Also serving on the newly formed committee are Mrs. Dorothy Lafionatis, Wilmington Women Club; William Smith, 4H and DAV; Millard Pipes, Baldwin Civic; Louis Gage, Park St. Acres; Charles Rowe, Hathaway Acres; James Shine, Silver Lake Betterment; Herbert Pickering, Rotary; James Harlow, Shawheen Improvement.

Others present at the meeting were A. J. Blackburn, Hathaway Acres; Robert Ross, Park St.; Walter Hale Jr., Baldwin; Henry Porter, Rotary and James Low, East Wilmington Improvement.

Town trucks will tour the town on Saturday, May 25, to help remove to the dump rubbish which would be difficult for householders to move. The Committee voted to ask for the trucks to be available an additional Saturday. Suggestions were also made to ask the student council and school board to start a campaign in the schools, use the sweepings from the streets to cover up rubbish at the sides of the streets and to have flyers made to be distributed to all homes in town.

The committee will meet on April 22, at Legion Hall to make further plans.

#### Elementary School Plans Approved

The Glenn Road School Building Committee has received notification from the State School Building Assistance Commission under date of April 12, that the plans submitted for the new elementary school off Glenn Rd., have been approved by the commission. They also advised that the State will reimburse the Town of Wilmington 50 per cent of the total cost of the building.

Shown attending Cancer Film are a group of volunteer Crusaders working on the Drive. Left to right: Mrs. Wm. Webb, Mrs. George Lafave, Mrs. Robert Dixon, Mrs. James Love, Mrs. Anthony Rocco. Rear: Dr. J. Bradley Varnum, Dr. Robert Rogers.

Timmy Moore, Coollidge St., Tewksbury, pictured above is shown opening his presents at his party celebrating his sixth birthday. Many guests attended, including his grandmother who traveled up from Baltimore.

## SELECTMEN'S NEWS

All of Wilmington's Select-  
men were present at the reg-  
ular meeting of the board  
held on Monday evening.  
The larger share of business  
was considered unfit for  
public consumption. Matters  
taken up in open session in-  
cluded granting licenses to  
the following: to sell loam on  
West St. in path of Rt. 28,  
Mrs. Wavie Drew, Theodore  
Thomas and Ann and Doug-  
las Palmer; Taxi Licenses to  
North Wilmington Cab, Ful-  
ler Taxi, and Meades Taxi,  
also for a second cab for  
Brabant. Sunday licenses  
were granted to the Ames  
News and Chapmans Store  
and a pony ride license given  
Howard Britt on Main St.

Jurors drawn for criminal  
actions taking place on May  
6 and 13 are Ralph M. Craw-  
ford, 3 Chase Rd., Howard C.  
Woolaver, Woburn St., John  
P. Tobey, 343 Salem St., and  
Ruth M. Anderson, 332 Low-  
ell St.

The Board met with rep-  
resentatives of various civic  
organizations in regard to  
clean up week. A letter was  
received from Howard C.  
Woolaver, chairman of the  
Board of Appeals, tendering  
his resignation from the  
board. Lloyd Laffin was ap-  
pointed to take his place.

Frank Hagerty brought up  
the matter of the need for a  
chain link fence at the pump-  
ing station due to the high  
voltage. Town Manager  
Courtney reported that the  
water commissioners were a-  
waiting a price. Complaints  
have been received about  
the slowness of action by  
the Reading Light in replac-  
ing burned out street lights.

Complaints of damage  
done while a water meter  
was installed, and not re-  
paired, and of boulders left  
Further action will be taken  
on land while widening a  
street were reported and ac-  
tion promised.

TM Courtney read com-  
munications with the B & M  
relative to signs on the sta-  
tion which the Town feels  
detracts from the appear-  
ance of the square. The op-  
inion of the RR is that the  
town has no jurisdiction over  
RR property and promised  
to take down those on the  
Main St. side only.

The board went into execu-  
tive session at 9:40 and ad-  
journed at 12:15.

### GROSSMAN'S HOSTS EUROPEAN VISITORS

Representatives of nine  
major European countries  
paid an unscheduled visit  
to a local building materials  
firm on South Shore. 20 men  
nearing the end of an eight-  
week nationwide tour, under  
the sponsorship of the Uni-  
ted States Government,  
visited L. Grossman Sons,  
Inc., in Quincy, Mass. The  
representative saw this group  
by the group after hearing  
about the important part  
the Grossman firm played in  
the rehabilitation of the  
town of Sanford, Me., na-  
tionally known as the "Town  
that refused to Die".

The delegation was made  
up of representatives of  
Europe's small business and  
crafts who came to this  
country to study the produc-  
tivity of small and medium  
business enterprises with a  
view of learning how to help  
rehabilitate industry and  
provide jobs in various na-  
tions in Europe. These men  
represent such countries as  
Austria, Belgium, Denmark,  
France, Germany, Italy,  
Norway, United Kingdom and  
are officials in the following  
enterprises: Handicrafts,  
Electrical construction, Wel-  
ding, Plastics, Time studies,  
Textiles, Heating and Plum-  
bing, Hardware, Rural in-  
dustries and mechanics.

At Sanford, Maine the  
European visitors witnessed  
actual economic recovery  
through the combined ef-  
forts of the Grossman firm  
and the people of the town.  
The Sanford recovery was  
an actual application of the  
Grossman theory that the  
diversification of industry  
does away with the evil of

total collapse if misfortune  
strikes one member of a  
business community. With  
the leaving of the Goodall  
Sanford mills over 2,000,000  
square feet of space was  
made empty with unemploy-  
ment reaching the 4,000  
mark.

In a short space of time,  
actually in less than a year,  
the deep depression was  
gradually relieved with a  
continuous flow of new and  
diversified industry. An un-  
precedented recovery in the  
history of industrial revital-  
ization.

The recovery of Sanford,  
Maine bears a striking paral-  
lel to the economic rehabili-  
tation program of that now  
being conducted in Europe.

Impressed by the exciting  
return from a distressed  
area to that of a leading di-  
versified industrial are the  
group made special requests  
to visit the home base of the  
Grossman concern.

The European representa-  
tives were escorted from the  
Sheraton Plaza in a special  
bus with a police escort pro-  
vided by the City of Quincy.  
They toured the South Shore  
making stops at the Quincy  
Municipal Parking space,  
Quincy-Grossman Surplus  
and the Grossman-Hingham  
Industrial Park, in which  
they visited the more than  
60 small and medium busi-  
nesses and industries that  
have now located there since  
the former Hingham Ship-  
yard was turned over to the  
Grossman's by the United  
States Government for in-  
dustrial development.

The tour continued to 130  
Granite Street, Quincy, the  
main headquarters for the  
Grossman company where  
the delegation was greeted  
by over 200 local civic, re-  
ligious and business leaders  
from the entire South Shore  
area.

During the reception, Jo-  
seph B. Grossman acted as  
the official host for the  
Grossman company. An in-  
formal seminar was held  
with representatives of the  
European countries and local  
dignitaries. Included in the  
discussion was a review of  
Grossman techniques of in-  
dustrial rehabilitation. Some  
of the highlights of the local  
group discussion was the  
importance of the cooper-  
ation from the community,  
the Chamber of Commerce,  
civic and business leaders  
and the people of the town.

The individual represent-  
atives of the European coun-  
tries were given a special  
tribute by their representa-  
tive consulates.

### American Legion Meeting

Post 136, American Le-  
gion, will hold their regular  
meeting at the post quarters  
Thursday evening, 8:15 All  
members are urged to at-  
tend. Tickets are available  
for the Blue and Gold Ban-  
quet. Refreshments will be  
served after the meeting.

### THE PAIN OF LOVE By William L. Corbett

At twilight's hour and all alone  
My Lord did lay His head on stone.  
A stone that could perhaps be me,  
And like the stone I could not see.

When darkness fell, and all about  
The evils yelled, "Cry out, cry out!"  
But mournfully He bowed His head,  
And prayed to God for me instead.

Oh sorrowed Man, why do You weep,  
In agony, while others sleep?  
Why sweat your blood redundantly,  
The world will sing its song of glee.

Look down, oh God, upon this Man,  
The awfulness I cannot scan.  
But look I must into his soul,  
To see the WHY He made man whole.

If love like this I am to know,  
Then mercy, God, I too must go,  
To find a stone, and weep until  
I feel within Thy holy will.

What matter if in life I win  
All honor, praise from earthly kin,  
When only with the pain of love,  
Can I be marked for heaven above.

And when my twilight's hour is near,  
Upon my stone you'll find a tear,  
For now, oh God, I know why He  
Became a man, 'twas just for me!

**SELECTMEN'S NEWS**

The Board of Selectmen meeting was held last night at the Town Hall with all members present.

Harold Thomas appeared before the Board to inform them that a group of residents had retained counsel in regards to the noise, dirt and heavy trucking caused by Akeson's trucks.

The Memorial Day Committee asked the Board's permission to use up and down stairs hall for the exercises on Memorial Day. After a discussion with George Collins everybody left happy.

A group of property owners of Mark Rd. and Arlington Rd. appeared to see what the Board could do to help them in their many problems in regard to the Builders not fulfilling all the specifications set up by the Planning Board. Mr. Cluff promised the group his personal attention on the matter.

Two Jurors were picked for Criminal Court for May 6, namely Earl Marshall of Knowland Rd. and Venero Baldacci of Patten Rd. Town Clerk Mrs. Alice Pike was present to draw the names.

Selectman Cluff presented to the board an article for insertion to set up a Recreational Center on 12 acres of State owned property. If this is approved by the voters, it should prove to be a real asset to the town.

Notice will be sent to all Reserve Police Officers that Applications will be considered next week for two permanent appointments. The men will be requested to appear before the board on next Tuesday evening. Anyone who does not have an application on file that is interested should file an application before Tuesday's meeting and appear in person at that time.

Happy Birthday to Jacky Hunt, the Selectmen's Secretary.

**HOLY WEEK SERVICES  
AT METHODIST CHURCH**

An Upper Room Service of Holy Communion will be held on Maundy Thursday, April 18, at 7:45 p.m. in the church. After a brief service of worship families will be seated around tables and served the elements of the sacrament by the Rev. Richard E. Harding, Rev. Stanley Kenderdine and the Rev.

Herbert Coontz, Ariel Wood, local preacher will also assist in the service. The senior choir will sing the moving negro spiritual, "Let Us Break Bread Together."

On Good Friday, the church will be open from 12 noon for meditation and prayer. At 2 p.m. a service of worship led by Mr. Harding will be held. The Rev. Stanley Kenderdine will provide the music at the organ for this service. At 7:30 p.m., a Union Good Friday Service will be held in the Wilmington Congregational Church, with combined choirs singing "For God So Loved the World", and the Rev. Stanley Cummings, Rev. Richard Harding, and Eliot Castillo, leading the services of worship.

Safety Tip: It's the driver, not the car or the condition of the road, who causes most of the accidents. Safe driving means leaving an adequate Margin of Safety between your car and the others. Keep Your Distance and you'll avoid trouble, says the AAA.

SEAL CAMPAIGN  
PROGRESSING

The Billerica - Lowell area has raised \$3,280 or 52 percent of its goal in the 1957 Easter Seal campaign, it was announced today by John K. Eaton of the Middlesex County National Bank, Lowell, area treasurer.

At the time, Rudolph W. Schrader of Beverly, who is associated with the Sheraton Corporation of America and is campaign chairman for the

northeastern Massachusetts, said there are more than 138,000 physically disabled children and adults in the state, many of whom can go to school and earn a living as well as anyone else, if rehabilitation services are available to them now.

"Every day, home, highway and industrial accidents leave crippled children and adults in our communities," said Schrader, who was severely injured in an accident and was rehabilitated at the Bay State Medical Rehabilitation Clinic, 225 Charles St., Boston, which is supported by the Easter Seal appeal.

"Our generous support of the campaign is necessary to ensure that the special-

ized services which the Easter Seal society provides to the physically disabled are available to any of us when we need them."

Schrader urged everyone who has not responded to the 1957 Easter Seal appeal to do so now.

The campaign continues traditionally through Easter Sunday.

Safety Tip: It's the driver, not the car or the condition of the road, who causes most of the accidents. Safe driving means leaving an adequate margin of safety between your car and the others. Keep Your Distance and you'll avoid trouble, says the AAA.

ALONG THE  
MAIN STEM

by

Bernie Patterson

## QUOTE . . .

A politician has to be able to see both sides of an issue so he can get around it.

## RAMBLING ALONG . . .

The town is having its face lifted in a subtle sort of way . . . all along the Main Stem from the northern section to the southern section changes are in order . . . debris being cleared from the sides of the highway . . . new buildings beginning to rise . . . buildings that were by no means an attribute to the town being rebuilt . . . a new and pleasant building should be felt by townspeople and building establishments alike before the spring is in full bloom . . . the ground breaking of Avco was a pleasant feeling, after viewing the replica of the plant that is set up in the Town Hall, one can visualize the beauty and prestige this company will impart on Wilmington and citizens.

## FROM THE BOYS IN BLUE . . .

Some guys follow the straight and narrow — others are more interested in curves.

## VISITOR . . .

The very attractive blond seen doing dishes at Virginia Parker's Restaurant this past week was not . . . as one would suppose . . . a dishwasher or a waitress, but rather . . . a friend of the Parker family stopping for a while to visit while enroute from Gray's Inn in Miami where she was head hostess . . . to Chicago where she will continue her duties as hostess at the fabulous and exclusive Bryn Mawr Country Club of Lincolnwood, located some 15 miles north of Chicago. She is Miss Edna Nebatt and she began her career up in the beautiful New Hampshire Mountains at Gray's Inn, located at Jackson, N. H. where for years she was head hostess. She has been on friendly terms with many of the great and near great in her many years and numbers among her friends a very close friend of mine, golf pro, George Astor, formerly of Haverhill. If Miss Nebatt should ever decide to write her memoirs it would be, I'm sure, interesting reading.

## CAUGHT . . .

Entering a hotel, a traveler ordered a whiskey and soda, and was about to drink it when he noticed a painter at work on a ladder. Immediately he went out without touching the drink. The painter climbed down and lifted the customer's glass.

"Hi!" said the barman, "you can't do that! That chap will be back in a minute, I expect!"

"Oh, no, he won't," said the painter. "You see, he's president of our local temperance society, and I'm the secretary."

## EARTHQUAKE . . .

There was a big week-end party in California, in full swing, when the earth quake came. Chimneys toppled and water mains were broken. All the guests rushed outside

but one chap was missing. The worried host dashed back and in the bathroom he found his friend knee-deep in water from the broken toilet. The guest could only mumble, "Homest, Paul, all I did was pull the chain."

## WASHED WATCHES . . .

Even watches go into the agitator to be washed. Jim McCabe at Merri-Mac Laundry-Ett pulled one from the water . . . apparently none the worse for its dunken, the other A.M. Owner may have the watch by identifying same and by saying, "washed watches" 3 times fast.

## DITCHED DIGGER . . .

National Level: Vets are advised to file under Social Security. Many disabled vets, now insured under the Social Security law, do not realize that time is of the essence in filing a disability claim at their local Social Security district office.

For many disabled veterans, failure to file an application before June 30 of this year, will mean, not only loss of their rights to social security disability benefits, but also rights to any old-age or survivors insurance benefits for themselves or their families in the

Case No. 6036-S

(SEAL)

Upon the petition of John D. Cooke, of Andover, in the County of Essex and said Commonwealth; representing that he is the holder of a treasurer's deed registered as Document No. 24526 noted on Certificate of Title No. 2194 issued from the Middlesex North Registry District covering land in Wilmington; the sale under which has been duly determined by the Tax Commissioner for the Commonwealth of Massachusetts to be a sale under the provisions of the low value statute; that the original tax deed was registered as Document No. 20806 and noted on said certificate and the petitioner prays that said Certificate of Title No. 2194 be canceled insofar as it relates to the above mentioned documents and that a new certificate be issued to him, therefore, it is

ORDERED that the Recorder give notice of this petition forthwith by sending by registered mail a copy of this order to Mr. Harry Sargent Grant and Mrs. Harry Sargent Grant of Cambridge and Dorothy Sargent Flemming of Wilmington in the County of Middlesex and said Commonwealth; Mr. Archie W. Sargent and Mrs. Archie W. Sargent of Bangor and Mr. John B. Sargent and Mrs. John B. Sargent of Hampden Highlands in the State of Maine; Mr. Albert E. Sargent and Mrs. Albert E. Sargent of Cedar City in the State of Utah; Mr. Fred S. Sargent, Mrs. Fred S. Sargent of Rochester in the State of New York; and Alice A. Jenkins of Windsor in the State of Connecticut; and if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) on or before the twenty-ninth day of April next.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree or orders as the Court may make.

And it is further ordered that notice be given to all whom it may concern and to Mr. and Mrs. Jerome Sargent or their heirs, devisees or legal representatives by publishing a copy of this order once each week for three successive weeks in The Wilmington Crusader, a newspaper published in said Wilmington.

future.

Social Security is a three way program. It provides old age, disability and survivors benefits. While disability payments are made only to the insured civilian or serviceman between the ages of 50 to 65, benefits are payable to both him and his dependents in his old age, or to his family in case of his death.

To protect these benefits rights, the veteran must become insured and remain insured under the law. To become insured he must have been in civilian work or in active military service covered by the law for a certain period of time. This time may be a combination of civilian and military activity. All members are urged to attend the meetings and read up on this particular piece of information. This may have a bearing on your future benefits.

At the last meeting, the gavel was turned over to Commander-elect Lloyd, in an effort to get the "feel" of being Commander. I would like to offer my congratulations to Fred and hope that he has a pleasant tour of duty.

The Boy Scout Committee met with Foster Balser and The District Commissioner from the Greater Lowell Council last Friday night to further the program of sponsoring a scout troop. There will be three Monday night meetings, starting April 29, in which the parents are invited to sit in with the Council. This procedure is to familiarize parents with the steps involved in sponsoring a troop of boy scouts.

Next Social is supposed to be held Saturday but as yet no one has been appointed.

Permission to hold a carnival at the town park has finally been granted but with the restrictions that no part of the carnival be placed on the ball field. Just where the planning board expects us to set up is not quite clear, but it is certain that permission was granted reluctantly, similar to offering a drowning man a glass of water. Case No. 8860-S

Upon the petition of Paul Ryan, of Wilmington, in the County of Middlesex and said Commonwealth, representing that he is the holder of Certificate of Title No. 10168 issued from the North Registry District of Middlesex County; that said certificate is subject to a mortgage registered as Document No. 8259 in favor of the Woburn Realty Corp., dated December 10, 1948, in the sum of four hundred (\$400) dollars, payable in one year; that said mortgage has been paid in full, but has not been discharged of record, and praying that said Certificate of Title No. 10168 be amended by striking therefrom all reference to said mortgage, therefore, it is

ORDERED that notice of this petition be given to any persons interested in the Woburn Realty Corp., a dissolved corporation, who have not released their interest in the land described in said certificate, and to all whom it may concern by publishing a copy of this order once each week for three successive weeks in The Wilmington Crusader, a newspaper published in said Wilmington; and if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston, at the Court House, on or before the twenty-second day of April next.

wheel on top of the hill by the flag pole, providing we could find someone to carry it up there. Maybe our efficient planning board can devise some plan for a carnival on the area allotted, I'm sure we don't know.

Incidentally, the permission for the cook-out has not been granted yet. It now takes four weeks to get permission to use our park, and this after all the taxes we pay. I realize that such a grave decision must be weighed carefully, after all, we support it, why be allowed to use it. Why the planning board takes so long to make a decision is something I find hard to understand. Let's go, planning board, give us an answer, yes or no, and stop this entirely unnecessary stalling.

Just once more, for Bob Peters, ARE YOUR DUES PAID UP?

The installation of our newly elected officers will take place at the Wildwood School, Thursday night, April 25. It is not known at this time who the installing officer will be.

## ST THOMAS NEWS

On Holy Thursday there will be a Low Mass at 7:00 a.m. At 7:45 p.m. there will be a High Mass and procession to the repository. Communicants must fast for 3 hours from solids and 1 hour from liquids. The Holy Name Society and men of the parish will form a guard of honor to watch and pray in relays from Thursday 9:00 p.m. to Friday 7:00 a.m. The list for volunteers is in the rear of the church.

On Good Friday, from 7:00 a.m. to 7:00 p.m. Adoration of the Blessed Sacrament by the women especially. From 2:00 to 3:00 p.m. the Seven Last Words. From 3:00 to 4:00 the C. Y. O. Holy Hour for school children. At 7:45 p.m. Mass of the Presanctified and veneration of the Cross, with reception of Holy Communion. Also the annual collection for the maintenance of the Shrines of the Holy Land.

On Holy Saturday confessions at 9:30 a.m. (children), 3:30 p.m. and 7:30 p.m. At 11:00 p.m. the blessing of the Paschal Candle, Baptismal

and Easter Holy Water. At 12:00 Midnight-Easter Midnight Mass. Communicants must fast three hours from solids and one hour from liquids. With regards to fasting, Saturday is treated as an ordinary day of Lent, i.e., it is a fast day but not one of abstinence (meat allowed). Doors of the church will be closed when the capacity (360) is reached. You are requested to leave the Holy Week booklets in the seats after each service.

Father Kelley will share in your gifts of appreciation to your priests on Easter.

First Holy Communion will be Saturday, May 25. Special instructions start next week. Clothing will be the traditional white dresses and veils for girls and white blouses and ties for the boys. There are thirty children who have not brought in baptismal records, and we urge the parents to get them as soon as possible.

Prayers are asked for Father Kelley's recovery.

Even your best driving companion might cast a questioning look in your direction if you declared that your eyeballs were vibrating and your sight blurred. But even if your conscience is clear and your health good, such things can happen - at least when you're riding in a car. According to the Murine Company, your eyesight just isn't as keen as usual when you are riding in a car or bus. The vehicle's vibrations are transferred to the eyes, causing an imperceptible blur which helps create eye fatigue.

# WILMINGTON HIGH SCHOOL HI-LITES

## COMMERCIAL CLUB by June Goss

The Commercial Club of Wilmington High School and their sponsor, Miss Welling, had a fine time visiting the John Hancock Building last week.

Although the rain seemed rather disappointing at first, it all turned out well.

The students boarded the bus at 8:30 a.m. and headed for Boston. Arriving in Boston about 9:30, we met our guides, Miss Conway and Miss Johnson, members of personnel, who were to take us on the tour.

The first place we visited was the transcribing room. This is where the executives dictate letters over the transcribing units and then send it down to be transcribed. There are about thirty girls in this room who type letters all day. The supervisor of that floor told us that each girl puts out about 60 letters or more per day.

The next place on the agenda to be visited was the filing room. Here, the girls are responsible for answering the telephone and filing. The supervisor of this department told us that people call for information pertaining to policies and it is up to the girls to supply this information. They have all the most modern equipment. The filing systems are nothing but the best and they have the best conveniences for the employees. The girls who file are situated between counters. They have chairs on tracks so that the girls do their work easier and faster. This set-up is wonderful because the girls can work faster, comfortable and not tire as easily.

We visited a few more departments, but the one that fascinated us the most was the place where they had

Univac, "The Electronic Brain." This is a huge machine that does much of the statistical work for John Hancock. They say they are now making room for "Univac No. 2."

We were then allowed a "coffee break" after which we rode to the 26th floor to the observation room. Here we could see the city of Boston and various places of interest. Also, at this point the precipitation was falling in the form of snow. We also viewed the employees beautiful lounge where they can spend their lunch hour. They also have a library, records -- both classical and non-classical, and a game room.

The John Hancock building is truly a beautiful place and has many benefits or working conveniences for their employees.

After this marvelous tour, we boarded the bus and headed for Howard Johnson's. After an enjoyable lunch, we started for Wilmington.

We arrived back at school at 1:30 and had many exciting experiences to tell. We all agree that this was certainly a worth-while experience.

## BAND CONCERT by June Goss

The William Penn High School Band has gone back to Delaware after giving a superb concert on March 29. Henry Chisholm, president of the band, and a former resident of Wilmington, thanked the people who were kind enough to take them into their homes.

Talking to one of the band members, I asked, "What do you think of Wilmington?" The reply was, "It's just great, but I sure miss the big city." The band members

were pleased to see the turnout at the concert and they all spoke about how well they were treated here.

I asked a few of the band members how long they had been playing. I was surprised to learn that nearly all of them have been playing since they were five and up. No wonder they are such fine musicians.

It was wonderful to see the people enjoy the concert and to have such a turnout.

We are in hopes that in years to come our band will have the opportunity to entertain as the William Penn band did.

## BAND CONCERT FOR STUDENT BODY

On Friday, March 31, Wilmington High School was granted the pleasure of having as their guests, the Championship band from the William Penn High School, Newcastle, Delaware.

The students were greatly impressed by the band's ability to play various types of music, classics and jazz.

The President of the band, Henry Chisholm, a past resident of Wilmington and past member of Wilmington High School proved to be an excellent pianist and thrilled the audience with his playing.

The members of the band spent the night at the homes of the townspeople.

## BASEBALL

by Bill Fay

The current baseball season is now in its third week at W. H. S. The practice to date has been held mostly outside with Coach Gilligan taking advantage of the early spring weather.

The work so far has been getting the candidates into shape. There has been a lot of throwing, outfield and infield practice, and a little

batting. Coach Gilligan has already taken advantage of the new quarter mile track by having his candidates run twice around before practice and twice more after practice, getting their legs in shape and building up their wind.

The biggest problem this year seems to be in the outfield and pitching departments. Only one of last year's outfielders, Sam Cavallaro, has returned. The same situation exists with the pitching staff. Last year's two starting pitchers, Bob Swanson and Dick Et-hier both graduated. Help is on the way, however, with Joe Peters who had an impressive 15-2 record with St. Thomas' C. Y. O. Champions last year. There are also several more promising candidates trying out.

The catching situation is sound with three or four out for the position, led by last year's starter, Dick Graham.

The infield looks good with three of the four positions being filled by returning veterans; first, Doug Anderson and Bob Cornish and second, Charlie Reid and Caton Montiero, shortstop, Don Sharp. At third base, Bill Fay is after the position vacated by Bob Branscombe, last year's Captain.

## FOREST STREET CONGREGATIONAL CHURCH

Wilmington  
Harvey J. S. Blaney, Pastor  
Easter Sunday:

Sunday School - 9:45 a.m.  
Morning Worship - 11:00 a.m.

The Rev. Mr. Blaney is Professor of Biblical Literature at Eastern Nazarene College in Quincy, Mass. His Easter sermon will be on the topic, "The Resurrection in Our Lives."

## WILMINGTON METHODISTS RAISE NEARLY \$50,000 FOR NEW CHURCH

An amount which will reach \$50,000 when all calls are completed has been promised by the members and friends of the Wilmington Methodist Church for the next 156 weeks. The crusade concluded on Tuesday evening, April 9, with a service of praise and thanksgiving led by the Rev. Walter Hoover of the Board of Missions of the Methodist Church. A fine group of persons were in attendance to hear the report and share in the worship service.

The building plans are now in the hands of contractors who are to have their bids to the church between 5 p.m. and 6:30 p.m. on Wednesday, April 24. With the giving promised by the persons of the parish, the financial aid of the New England Conference of the Methodist, the mortgage being given by the National Board of Missions of the Methodist Church and the gifts of the business and professional men of Wilmington the new Methodist Church should be under construction in the near future.

The members of the crusade committee wish to express their appreciation to all who have helped make the Building Fund Crusade such a success. The members and friends of the church express their gratitude to William Stickney, general chairman of the crusade, Fred Seddon, Advance Gifts Chairman, Frank Leavitt and Jack Randell, visitation chairmen, Arthur MacMelville, publicity chairman, Wilburn Staveley, financial secretary, Minot Anderson, Treasurer, Mrs. Frank Le-

vitt and Mrs. Carl Backman, food and fellowship chairmen, Rev. Walter Hoover, Director of the Crusade, to the twenty-one captains who obtained the services of some eighty-five visitors for the crusade and to all those who called on the families to the parish.

The Rev. Richard E. Harding in his remarks to the worshipping congregation and the Victory service quoted a line from English Literature in sharing his recognition that the established goal for the crusade was not reached. "A man's reach should exceed his grasp for what's a heaven for." He felt that the over all results of the crusade will never be measured in dollars and cents but in the great spirit that has been given to the life of the church.

## ED BRADLEY NEW PRESIDENT OF WILMINGTON SKATING CLUB

At the regular monthly meeting of the Wilmington Skating Club, Edward Bradley of Oakwood Road was elected president; Robert Moloney, Vice President; Carl Backman, treasurer; Hazel Backman, Membership and Marion Woller, Secretary.

New members to the Board of Directors: Myer Weinberg, Leo O'Connell, Sr., Thomas Galvin and Walter Hinzman.

The USS Holland which became the first undersea craft to be commissioned by the U.S. Navy was accepted on April 11, 1900 for a price of \$150,000. Today's atomic submarines cost about \$30,000,000 exclusive of the power plant.

### FREEDOM IS WORTH FIGHTING FOR

In Medford I awakened the Captain of the Minutemen, and after that I alarmed almost every house till I got to Lexington." In these words, Paul Revere recounted part of his experiences on his Midnight Ride on April 19, 1775, when William Dawes, who rode through the Roxbury sector, he charged through the countryside with his mission of warning.

To John Hancock and Sam Adams hiding in Lexington he shouted, "You'll have noise enough before long. The British regulars are coming. Their purpose is to capture the ammunition and supplies in Concord."

Thus warned, a company of Minutemen under Captain John Parker were drawn upon the Common green when the British Redcoats arrived in force. Their officer swung his sword and in a loud voice shouted, "Lay down your arms, you damned rebels, or you will all be dead men! Fire!" And fire they did.

In this brief encounter eight Massachusetts men were killed and ten were wounded. Only one British soldier was wounded. Thus began the American Revolution.

But the fight was not over. The gunpowder and supplies in Concord must be taken and so the second battle that day was fought at Concord Bridge. There the British were repulsed, the first American victory in the war. Three regulars were killed, and eight were wounded. The supplies were saved.

Then the British regulars numbering about 1,800 men began their hazardous retreat to Boston. The Americans scattered all over the countryside, and their numbers uncounted had only begun to fight. At the end of this unbelievable day the British counted 73 soldiers dead and 200 wounded or missing, while the Minutemen lost 49 men killed and 46 wounded or missing.

A patriot who enlisted in the new army that day wrote a letter home saying: "It is uncertain when we shall return. Let us be patient and remember that everything is in the hands of God."

The hand of God was with the patriots of that day and generation. They fought for liberty and freedom from oppression. In every succeeding generation, our country has been blessed with patriotic citizens of every race and national origin. Today our country extends a welcome hand to the oppressed peoples of other lands. May they and we be inspired by Emerson's inscription on the statue of the Minuteman in Concord:

"By the rude bridge that arched the flood,  
Their flag to April's breeze unfurled,  
Here once the embattled farmers stood,  
And fired the shot heard round the world."

### CONGREGATIONAL NEWS

The annual Candlelight Communion service will be held in the vestry on Thursday evening. All who attend, including those who are uniting with the church, are requested to gather in the Sanctuary not later than 7:25 p.m.

A Good Friday union service, under the auspices of the Wilmington Church Council, will be held in this church on Friday, at 7:30 p.m. The ministers of the three cooperating churches will give brief talks.

The young people of the church will hold an Easter sunrise service at 6:30 a.m. at the usual place in Wildwood Cemetery (entrance from Wildwood St.) and the public is invited.

A breakfast for the Fireside Fellowship and Quaintance Club will be served at the church at 7:30 a.m.

There will be no Church School on Easter.

Identical worship services will be held at 9:30 and 11:00 a.m., with baptism of children at the first service and reception of new members at the second. The organ and choir program at both services will be as follows: Organ prelude, "Today God's Son Doth Triumph" (Bach), "Christ is Risen" (Goss), and "Adoration" (Lemmens). Choral Call to Worship, "Christ Our Passover" (Anglican Chant). Anthems, "This Glad Easter Day" (Dickinson), "Joy Fills the Morning" (Lotti), and "Come Ye Faithful" (Tilcomb). Organ postlude, "Easter Alleluia" (Ottenwalder).

Those who plan to give Easter memorial plants or flowers are asked to report it before Saturday, to Mrs. John Tobey (OL 8-2944).

A board of ushers will be organized at a supper sponsored by the Quaintance Club on Tuesday, April 23.

### ART EXHIBIT TO BE HELD AT MCNB

A distinguished collection of works by famous artists goes on display Monday, at the Wilmington office of the Middlesex County National Bank. The exhibit, arranged by the North Shore Arts Association, presents paintings in oils, water colors and other mediums by association members whose skill and talents have brought them nationwide recognition. The showing will continue through April 26. It will be open each day from noon to 3 p.m., also on Thursday, from 6 p.m. to 9 p.m.

The following artists will be represented:

Rutledge Bate, James Bonner, Margaret Fitzhugh Brown, Loring Coleman, Otis Cook, John Enser, Ken Gore, Emile Gruppe, Aldro Hibbard, Arnold Knauth, Frank Rines, Arthur Safford, Stanley Woodward and others.

A group of Wilmington ladies will act as patronesses, under chairmanship of Mrs. Wylie Drew. Serving Monday afternoon, will be Mrs. Doris Tobey and Mrs. Shirley Lyons, Tuesday afternoon, Mrs. Louise DeLoe and Mrs. Theoline Kidder, Wednesday afternoon, Mrs. Marjorie Stevens, and Mrs. H. Haywood, Thursday afternoon, Mrs. Mabelle Bliss and Mrs. Evelyn Drew, Thursday evening, Mrs. Cloe Bickford and Mrs. Maxine Drew, Friday afternoon, Mrs. Doris Hagerty and Mrs. Edith Michelson.

Safety Tip: You can go through the entire touring season without a single mishap if you'll remember one simple safety rule: Take It Easy. Hurrying causes impatience, and it's the impatient driver who gets into trouble. Take It Easy when you're behind the wheel of an automobile, warns the Triple-A.

### As My Garden Sleeps

By Marl Gold

There is a magic in the rain, how green the grass has become lately. The frogs have thawed out of their winter homes and in the evenings one can hear them singing in spite of the chilly weather. Spring is here and this is Holy week. It always seemed to me that most things come to life again during the holy season. The two plants I would like to write about this week have legends concerning Easter.

First is the Flowering Dogwood. This is one of our most popular native trees. Cornus Florida is the white one. The beauty of this tree is spring, with its snowy clouds of white blossoms is completely unsurpassed. In the fall, the red berries and crimson leaves of this same tree hold great charm.

Cornus Florida Rubra is the pink dogwood. In the spring, this tree is covered with deep rose colored blossoms. The dogwood needs acid soil. All clay or sandy loam in which most of our garden families thrive should be dug out and a substitution of soil set in. Acid should be used. These plants simply will not tolerate live in any form. Acid soil conditioners, acid fertilizers and other chemical agents should be used.

Too much trouble you say? Not at all, not if you consider the beauty of their bloom and foliage. Once established, they need less care than almost any other plant. If you have a planting already established, aluminum sulphate is a safe reliable method of adding acid to the soil.

Spread over the ground the planting, one fourth to one half pound of aluminum sulphate to the square yard. City water sometimes contains lime and watering with it tends to lessen acidity. Plant four or five feet from the house, as the lime in the cement and stucco in the house foundation will eventually wash into the soil. The Dogwood tree must be eight or ten years old before it will blossom. If you purchase your plant from a reliable nursery, then you will know how old the tree is to begin with.

The legend of the dogwood: There is a legend, that at the time of the Crucifixion, the dogwood had been the size of the oak and other forest trees. So firm and strong was the tree that it was chosen as the timber for the cross. To be used thus for such a cruel purpose, greatly distressed the tree, and Jesus, nailed upon it, sensed this, and in His gentle pity for all sorrow and suffering said to it:

Because of your regret and pity for My suffering, never again shall the dogwood tree grow large enough to be used as a cross. Henceforth, it shall be slender and bent, and twisted and the blossoms shall be in the form of a cross - two long and two short petals. In the center of the outer edge of each petal there will be nail prints, brown with rust and stained with red. In the center of the flower will be a crown of thorns, and all who see it will remember.

Another plant with a legend taken from the Bible is the Veronica. There are several species of this plant, growing different heights

and being different colors, but the favorite type is the Veronica Longifolia Subsp. This plant is the most attractive of all violet blue flowers for the border. The flowers are spikes which grow to be two feet long. They bloom from early to late September. The Veronica is easy to grow, it likes moist soil, although they will grow in poor soil, some fertilizer will increase the size of the spikes.

As the legend goes, Veronica got its name thus: When Christ was laboring beneath the heavy cross, he faltered and a maiden, Saint Veronica, rushed forth to wipe the perspiration from his brow. The impress of his face was found upon her napkin when he dropped it on the blue flowers which were growing at his feet. From then on the flowers were noticed to resemble the face. This flower was named for Saint Veronica.

### FRANK S. MELVIN IN MEDITERRANEAN

Mediterranean, (FHTNC) - Frank S. Melvin, seaman apprentice, USN, son of Mr. and Mrs. Frederick A. Melvin, Wilmington, Mass., is serving aboard the cruiser USS Des Moines in the Mediterranean Sea with the Sixth Fleet.

While in the Mediterranean, the Des Moines will conduct various training operations to maintain a state of combat readiness.

### LOCAL BOYS JOIN ARMY RESERVE

John J. Christopher Jr., son of Mr. and Mrs. John Christopher, 65 West Street, and Joseph H. Strob, son of Mr. and Mrs. William Strob, Westdale Avenue, enlisted in the United States Army Reserve through the Lowell Regular Army Recruiting Station and took advantage of the special offer of the Army to men between the ages of 17 and 18 1/2 years. John and Joseph will serve six months on active duty and then be returned to an active reserve status, serving with Company "C" 319th Engineer Battalion, where they will train one night a week and attend a two week summer encampment each year for the remainder of their enlistment.

### REPORT FOR ARMY DUTY

The following National Guardsman departed on Sat., April 14, to start their six months basic training at Fort Dix, N.J.:

William J. Doucette, 19 Ballardvale St., and Robert E. Foley, 2 Blackstone St.

### GERALD P. ROONEY ON WINNING TEAM

Hartford, Conn., Cadet M. Sgt. Gerald P. Rooney of 18 Jones Avenue, Wilmington, participated in the Fifth Annual AFROTC Drill Meet, held at the State Armory in Hartford, Conn., on April 13.

Trinity College again hosted the event. The activities started at 8:00 a.m. and continued until 4:00 p.m.

Rooney is a Junior at the University of Massachusetts, Amherst.

### ROARS FROM THE LIONS DEN - LION EASTER BALL NEARS

The weekly meeting of the Wilmington Lions Club was held at the V.F. W. Hall, Wednesday, April 10, at 6:30 p.m. King Lion John Cuoco presiding. Lion Frank Hagerty introduced the guest speaker of the evening, Gary Mansur, Public Relations Director of AVCO. Mr. Mansur spoke briefly on the background of AVCO and the relationship of AVCO to the country and specifically to Wilmington. It is felt that Mr. Mansur will return to speak before the Lions Club

in the future at some early date.

### Business

Lion Nick DeFelice informed the club of Clean-up, Paint-up Week, to be held May 12 to 25. King Lion John Cuoco nominated Bill Widger, Mel Southmayd and Frank Griffin as representatives from the Lions Club, to a meeting of the Board of Selectmen, Monday, the 15, at 8:45.

Lion Joe App informed the club that the report of this years slate of officers would be mailed to each Lion.

### Coming Events:

Lions Frank Hagerty, and Nick DeFelice, Program and Entertainment Committee, have taken great pains to present Mr. Charles Raffi, of Raffi and Swanson, at our regular meeting, April 24.

Tickets for the annual Lions Easter Ball are going fast. There is still a number of tickets available, but avail yourself of the opportunity while there is still time. You Can Roar With The Lions That Night. Price of the tickets includes Dancing and Buffet along with a Good Time. Tickets can be obtained from any Lion.

May 1, the Lions Club will meet jointly with the Rotary Club. Guest speaker for the occasion will be District Attorney James O'Dea, from Lowell. This plans to be a very pleasant and interesting evening.

### Lions Out Of The Gage And On The Green:

Lions Bob Michelson and Ed Page, will soon be teeling off, at Andover, and AWAY WE GO.

### Lions Easter Ball Draws Near:

The annual Lions Club Ball is drawing near. This affair annually is a sell out, and tickets are in great demand and in short supply.

The Ball will be held at the Andover Country Club, Andover, Mass., just off of route 133, on Friday evening, April 26, beginning at 8:00 p.m.

Dancing will be to the fine orchestra arrangements of Jack Hennessey and his orchestra. Dancing will be from 8:00 p.m. to 12:00 p.m.

A buffet luncheon will be served from 12:00 p.m. to 1:00 a.m.

So this is it folks, the chance to Roar With The Lions, have a Good Time, Dance to the wee hours and Bat to your hearts content, all for the low price of only \$4.00 per couple.

So call your nearest member of the Lions club and reserve a ticket for you and the fair lady, for the Time

Of Your Life. Delivery of these tickets is free. Hurry, hurry, hurry - time is drawing near.

### CARTER LECTURE DRAWS LARGE, ENTHUSIASTIC AUDIENCE

A large and enthusiastic audience greeted Dr. Murray Banks, brilliant young psychologist, Saturday evening in the High School Auditorium.

Presented by the Carter Lecture Committee, Dr. Banks captivated his audience completely by dramatizing in an unforgettable way with rollicking stories and sparkling humor the basic needs in life, today and the best ways to adjust to the problems of everyday living.

The Wilmington High School Glee Club, under the direction of Miss Lorraine Kalli, provided the music for the evening. They were accompanied by Mrs. Talbot Emery.

### THE BANK IN YOUR COMMUNITY

This column is written as a public service to the readers of this weekly newspaper in an effort to answer some of the questions the Massachusetts Bankers Association receives about banks and bank procedure.

In our last column, we noted that your community bank receives deposits. These deposits, as you know, is actually your money, as the bulk of deposits comes from you, the resident of the community.

We know the bank makes loans and we know the bank makes all types of loans to individuals and to industry. For illustration, we will discuss one of the major functions of the bank, that of loaning to local industry. We picked industrial loans, because it is the focal point of the community. It is the local plan that provides us with the opportunity to earn our living.

It is the bank in your community that adds the plant to expand and to purchase new equipment, so they can bid on new contracts. If the local plant prospers, the whole community prospers.

Of course, this is a very basic economic fact, but it points to the integrated com-

unity service your bank performs for you and your neighbors.

Another important role your community bank plays is that of assisting the government. The bank maintains a depository for the Federal, State and local Government funds.

These accounts are maintained at little or no cost as a service.

Your community bank

constantly puts new currency into public circulation, taking in the wornout money to be turned over the Government for destruction.

The bank, in addition to holding Government Bonds in their investment account, acts as issuing and redeeming agent for the defense and saving bonds. This is one of the community functions performed daily by your bank.

## PALM SUNDAY SERVICES AT WILMINGTON METHODIST CHURCH

The Rev. Richard E. Harding concluded his series on sermons on the Ten Commandments on Palm Sunday by preaching on the theme: "Coveting With Christ." The commandment from Exodus 20:17, which is divided into two commandments by the Roman Catholic and Lutheran groups of the Christian Church is: "You shall not covet your neighbor's house; you shall not covet your neighbor's wife, or his manservant, or his maid-servant, or his ox, or his ass, or anything that is your neighbor's." Mr. Harding set his message in the Holy Week theme sharing Jesus' mission to fulfill the law and not to destroy it.

At both the 9:15 and 11 a.m. worship services the sacrament of infant baptism was observed and families desiring to have children baptised have been asked to call Mrs. James McCain on Harris St., or Rev. Harding.

## LENTEN SUNDAY EVENING SERVICES CONTINUED AT WILMINGTON METHODIST CHURCH, APRIL 14, AT 7 P. M.

The Rev. Jack Golden, pastor of the Broadway Methodist Church in Somerville and Ph.D. Candidate at Boston University was the inspiration speaker at the Sunday evening service in the Wilmington Methodist Church. Continuing with the general theme being preached in this series: "Christ and Life's Great Issues" Mr. Golden preached on the topic: "Who Is My Neighbor?"

Mr. Golden is a native of South Carolina and has been very close to the problem of relating the gospel of Jesus Christ to human relations in his native state. He not only comes to the community with a real message born out of personal experiences but with a wonderful bass voice through which he will lead the singingspiration at the beginning of the worship service. Special music was provided by Richard Willson, tenor, and member of the senior choir and the service of worship was lead by one of our older youths, Miss Jane Randall, who is a freshman in the Boston University School of nursing.

A cordial welcome was extended to all persons to attend this service.

## "Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

Mrs. A. M., Watonga, Okla., adds, "Middle age was torture. Had costly shots 3 times a week but got no relief. Then took Pinkham's Tablets. They brought me new happiness, comfort!"

Science offers women new freedom from much of the misery of change-of-life, thanks to an amazing new tablet developed especially to relieve these functionally-caused discomforts. Doctors reported sensational results using this remarkable home treatment alone...and no costly injections!

Relief for 8 out of 10 Tested!

Irritability, tortured nerves were calmed. Dizziness relieved. Awful hot flashes subsided. Here's why. Unlike aspirin and such "general purpose" remedies, this new tablet is a unique combination of special

medicines...acts directly on the cause of these troubles...works through a woman's sympathetic nervous system to relieve tense feelings and physical distress that bring unhappiness to so many. Clinical tests prove this. Now this amazing formula is at drugstores without prescription. Ask for "Lydia Pinkham's Tablets". Don't let change-of-life rob you of joy! Get handy Pinkham's Tablets. Contain blood-building iron. See how fast you can feel your happy self again—without costly shots! (Also Liquid Lydia E. Pinkham's Vegetable Compound.)

## Talk Of The Town

By Hank Filippone

Our Board of Selectmen are really serious about cleaning the town. A road sweeper will be hired to sweep the streets, hydrants are to be painted and all citizens are asked to cooperate in the "Fix-it, Clean-it, Paint-it" week. Town Mana-

even drive some of the equipment during the days of May 12 to 25. These are the days that have been designated for the clean-up drive.

Our Fire hydrants are taking on a new look and we have George Spanos to thank for a job well done. George has been working for the water department and is currently engaged in replacing washers on the hydrant caps and painting them. George needed a cart to carry his equipment in an emergency call to a local Vets organization provided him with his vehicle in 15 minutes. Our unofficial mayor may not have a desk job, but any citizens, while driving by, may stop and be relieved.

Most of the debris that was left over from the Tunney Warehouse fire has been ing to see the fill plowed into the swampland behind that area.

Our fire department put the torch to a house on St. Pauls Street last week. I understand that the cost for doing this job was \$25.00, but I think the town is losing money on these deals.

The Lions Club Ball is to be held at the Andover Country Club, Friday, April 25. I understand that tickets are limited, so if you haven't made your reservations yet, you had better do so now.

Policewoman Mary Ann Langone still managed a pretty smile and a wave of her hand despite the rough cleared off, now we're wait-weather this past snowstorm. These policewomen are a welcome addition to our police force and are doing a magnificent job.

Did you ever see so many trucks at one time in such a small town? There has been enough gravel moved around town to completely change the contour of the scenery. When the terrain is covered over with topsoil it should resemble the flatlands of northern Ohio. The thought comes to me -- wherever are we going to get all this topsoil?

The New England Gas rejection by the planning board of appeals was made public news before even the Board of Selectmen were formally notified. Funny, how in spite of everything, information has a way of leaking out.

Add fact, correction of the week -- the decision to burn the house down on St. Paul Street, last week, came from Ernie Rice, building inspector and not from the Board of Health as reported by the other paper.

Mr. Kelly from Lowell is to go to court to recover his \$3000.00 owed him for installation of the heating system at the Wildwood School. Now, New England Gas may take legal action against the town. It's apparent that maybe the town of Wilmington is going to be busy defending their actions for some time to come.

George Spanos has found an apartment on Salem Road. He wishes to thank the many callers who offered to help him find a place.

Don't forget to get active in our town's "fix-up - clean up, paint-up" campaign. With all the out of towners

driving through, it would be nice to have our fair town all sparkling clean. Many hands make light work. Do a little work around your own land and the idea can really catch hold.

The decision of the planning board to grant permission to the V. F. W. to hold a carnival at town park -- but not allowing them to set the gear on the playing field, reminds me of giving an armless man a pair of gloves for a present.

The ducks at the Shamrock Drive IN are getting bigger. They'll be posing a problem pretty soon. Another orchid to Hal Foley for his donation of free candy to the children that attended the Movie Matinee at the V.F.W. Hall, Saturday.

Our building program is swinging along in high gear at present. There should be a noticeable increase in our population next year.

Frank Hagerty to EMcee the Victory Ball of the Wilmington Town Democratic Committee, to be held at Marty's Penthouse, Lowell, Saturday, June 1. Frank will be presenting His Excellency, the Governor, Foster Furcolo, and is the right person for that job. Get your tickets, folks, and meet the Governor and other leading State and District officials. This affair will consist of a Roast Beef dinner, introduction of the Governor and other officials and dancing till twelve o'clock midnight. All in all, it should be a very entertaining night.

The closing of the Post Office on Saturday morning caught a lot of people by surprise.

Our Policemen that you notice directing traffic around Avcoville are doing this on their own time. It's nice that they are able to get this extra cash, as it supplements their own meager salary.

One of our well known citizens was seen at the Avco site, trying to make a "deal" with Aberthaw Construction for the construction sheds. He feels that the buildings would make ideal camps for the Boy Scouts at Camp 40 Acres, when the construction

of Avco is complete.

From the scarcity of Lions Ball tickets, it's evident that the Town of Wilmington will be well represented at the Andover Country Club -- Friday, April 26. The annual dance and dinner (buffet style) is a yearly must and is very popular throughout town. A pretty nice bunch of fellows run it.

Wilmington School Teachers are to take legal action against the town of Wilmington for the \$6000 cut in the salary appropriation and the \$1200 cut in the capital outlay that was voted at the last town meeting.

THE OLD PHILOSOPHER says -- if the reflection you see in the looking glass isn't always what you had hoped, don't criticize the mirror -- instead, look carefully at what is making the original image.

The crane that has turned over on its side at Avcoville seems to be settling deeper and deeper. Unofficial estimates go as high as \$5000 for cost of recovery. All I can say is, that somebody had better come up with a solution soon or it might be used for a base for the road.

What puzzled me was why overtime was paid for the printing of our Town Report Book, Volume No. 1, and the Assessed Valuation Book. The assessed valuation original copy was in such a condition when offered to the jobber -- that it had to be sent back to town hall for correction. In order to meet a deadline, overtime had to be involved which cost the Town of Wilmington an additional \$162.00. This money comes out of the taxpayers pockets and could have been prevented.

Another correction of fact: The Nichols St. petition has not been rejected by the County Commission. This petition for rebuilding or relocating the Nichols St. bridge, was reported by the other paper to be turned down. This is not true. The County Commission has not yet turned in an answer on their findings.

The Board of Appeals has

turned down the petition of the New England Gas company to build on their property, thus nullifying the majority vote of the people at a special town meeting a few years back. The majority vote at that meeting in 1952 gave permission to New England Gas to locate in Wilmington. As a matter of fact, the Town of Wilmington secured special permission to sell part of the town park to them. This board consists of three citizens, appointed by the Town Manager, and as explained to me, their decision cannot be

questioned by any one other than at the State House. Maybe elected town officials would be true representatives of the citizenry.

One of the various reasons given in explanation for their decision was that the building for acetylene products would be approximately 700 feet from Avco. Who came first anyway? The hen or the egg? And what if New England Gas wants to build 1500 feet away from Avcoville, would that make a difference?

## Tewksbury News Amvets Monthly Dance Held

Mr. Darrell Sprague of Chapter 156 local Amvets group informs us their "April Shower" dance held at the STBA Hall on Sat. Evening was a huge success. These dances open to the public are held once a month under the chairmanship of Bill Kelly. Mr. William Bullock acts as Master of Ceremonies and a lot of good fun is had by all. At Saturday's dance, Mrs. Wm. Bullock, Mrs. Ray Wing, Mrs. Earl Chisolm, Mrs. Darrell Sprague and Mrs. Robert Heffernan served refreshments to the group. All left looking forward to next month's get together.

## Tewksbury News Wedding Bells Are Ringing

More than fifty freinds and buddies of Jerry Roper attended a testimonial in his honor at American Legion Hall on Friday Evening. Jerry, popular son of Road Commissioner and Mrs. Roper of Pleasant St., will be wed to a former resident of Town, now of Medford, Miss Barbara Shugrue on Easter Sunday at St. Raphael's Church in West Medford. Chairman of this affair was Jerry Haines.

## Tewksbury News Birthday Celebrations

Charles Martin, Jr. entertained a group of his friends at a party Friday evening on the occasion of his birthday. Among the invited guests were: Richard Weiss, Connie Barry, Warren Hudson, Anthony DeFarzio, Bobby Owens, George Farpela, Danny Barry, Walter Ackles, Jerry Otis, Joey Neal, Johnny Leahy, Eddie Souza, Ida Farpela, Dolly Queenhan, Donna and Helen Hardcastle, Anne Marie Hudson, his Aunt, Miss Mary Martin, along with Billy Cavanaugh. The Kiddoes enjoyed themselves with a self entertaining Talent Show, and all agreed the best talent present was Billy Cavanaugh, in a take off of Elvis. They tell me he was terrific. Charlie, the son of Mr. and Mrs. Charles J. Martin of Bay State Rd. was the recipient of many lovely gifts.

## Tewksbury News Girl Scout News

Scout Leader Mrs. May Love informs us that the girls of Troop 135 are anxiously awaiting a Rally to be held at Camp Reynolds in N. H. on April 27. The girls will leave by Bus at 10:30 a.m. and arrive home at 3:30 p.m. During the day they will enjoy Wide Games, a box lunch together and will have the honor of presenting to one of the Camp Counselors the Juliet Low Fund, which is a gesture of friendship each troop does on their own. Accompanying

the girls besides Mrs. Love and Asst. Leader Mrs. Rita Dalton, will be Mrs. Ernestine Gertig, Mrs. Andre Hyde and Mrs. Higgins.

## Tewksbury News St. Dorothy's Supper

Mrs. Helen Hair, Chairman for the supper to be held on April 24, at the Church Hall issued a reminder to all who plan to attend that the tickets are all printed and going fast. Don't be disappointed as it promises to be a very good night's entertainment and the prizes that are coming in for the penny sale to be held after are just grand.

Abe Lincoln's firelight reading habits may not have been as bad as they sound. Glare often is actually more of a strain than insufficient light. The ideal reading situation is a 100-watt light about 20 inches from the page, with its light coming over the shoulder, Murine

Company studies show. Glare from wrongly placed lights, shiny walls, glass, highly glazed paper or other sources should be avoided.

EASY TERMS

4-H'ers TO TRY FOR  
SCHOLARSHIPS' CLUB  
CONGRESS TRIPS

Chicago - (Special) - Hard work and a determination to make the best better will earn college scholarships worth \$400 each for 18 national winners this year in the 4-H poultry, field crops and entomology programs. The Cooperative Extension will continue to provide all awards.

In addition, 48 state cham-

pions will reserve an all-expense trip to the 1957 national 4-H Club Congress to be held in Chicago early in December, and county blue award groups will get handsome gold filled medals of honor.

The 4-H boys and girls who enroll in the poultry program will learn the latest methods in poultry and egg production, and in marketing. Last year 4-H Club members handled 9 1/2 mil-

lion birds, according to the Sears-Roebuck Foundation Extension Service.

Incentive awards in the 4-H field crops program will be provided by the Arcadian Products Department of Allied Chemical and Dye corporation. More than 800,000 acres were cultivated, planted and harvested by 4-H'ers carrying the field crops project last year. Members are encouraged to demonstrate to others what they learn about soil nutrition and fertility, as well as recommended crop production practices for their particular locality.

Introduced to 4-H Club only six years ago, the entomology project last year alone helped 28,000 members. Knowing the difference now between an ant and a termite could save many dollars in damage to homes and farm buildings later on, cautions one entomologist. And this is one of the many valuable lessons taught in the 4-H entomology program. The Hercules Powder company is donor of awards.

Arrangements with the awards donors were completed by the National Committee on Boys and Girls Club Work, Chicago. Details about participation in these national 4-H awards program and others can be obtained from the state or county Extension Service office.

The glances you direct at your neighbors, the hunt for a dropped glove, the search for the last kernel of popcorn, the wide and deep field of vision - all help to make movie watching in a theatre less fatiguing than viewing television, the Murine Company reports. Watching TV converges the eyes steadily for a long period on a small, static area. It is wise occasionally to look away from the screen and not sit too near to your TV set or at too much of an angle.

#### HEALTH FOR ALL

##### Chicken Pox

"Varicella" the doctors call it. We call it "chicken pox" although you can't avoid it by staying away from poultry. As a matter of fact, most children have it before they reach the age of 15.

This is the time of the year for the itchy polka dot complexion. Junior doesn't want to eat his supper. He is fussy, headachy, and a little feverish. It's a wise mother who looks immediately for the typical pink spots on his body. She'll call the doctor immediately. Chicken pox is one of the least dangerous of childhood diseases, but symptoms are somewhat like those of smallpox. The doctor should make a diagnosis.

The rash first appears on the child's trunk, then the face, and may cover the whole body. The pink spots change to clusters of blisters. These become crusted with scabs in three or four days. Sounds simple? It isn't. During this time constant itching makes the child extremely uncomfortable.

To scratch or not to scratch? The doctor says, "No." Scratching can lead to infection of the blisters. Moreover, scratched eruptions may leave scars. Scars may be the pride of the elementary school set, but they are very painful to the vanity of teenagers. Even though they will fade in time, it's best to avoid them.

To Keep a small child from scratching where it itches will tax the ingenuity of any mother. Mitts can be

tied on the hands of very young children. A stiff tube over the elbows may help. The doctor may prescribe a soothing lotion. Crayons and pencils and games that keep the hands busy will help. The best efforts sometimes fail, so fingernails should be cut short, hands washed frequently, and clothes and bedding kept fresh and clean to avoid infection.

##### Atomic Age Miracle

With all the tensions and worries of this Atomic Age, we are apt to forget that it has also meant great advances in medical science.

One of the by-products of atomic energy production is radioactive Carbon 14. In recent experiments, drugs used in treating tuberculosis patients were "labeled" with Carbon 14 so that their behavior in the body could be studied.

With the aid of the radioactive tracer, scientists found that the drug isoniazid had a definite affinity for the infected tissue in the body. The typical tuberculous lesion, the area where the disease was destroying body tissue, accumulated and retained large quantities of the drug. On the other hand, they found that another drug used for TB treatment, PAS, readily penetrated the lesion, but left again just as easily. No concentration of the drug was retained in the infected organs.

This scientific research may seem a little remote to your every day life, but it's all part of the effort to find out how best to cure the TB patient. Doctors have used these drugs for some years.

knowing that they help cure TB patients, also knowing that patients vary in their response to the different drugs and combinations of drugs. Research such as this helps them know why and how they work and may therefore aid in planning specific treatment for patients in various stages of the disease.

Modern treatment of tuberculosis has removed much of the terrible curtain of fear that has hung over this disease for centuries. In the old days, people used to say they'd "rather not know they had TB." They felt it was an automatic sentence of death. Today, TB can be cured. It's still a lot more serious than the common cold, but there's no reason to hide from the facts. Your doctor will advise you how often you should have a chest X-ray to make sure you don't have TB.

#### CONVERTING HITLER'S HIDE - OUT

I read something in the newspaper the other day that thrilled me. It stated that twenty years ago, Hitler and his staff drew up a blueprint for a hide-out, high in the Alps, in the little village of Berchtesgaden.

Remember how, throughout the war, that word came to mean the inner stronghold of evil.

But, as my Salvation Army father used to say, "The devil always over-shoots the mark." Hitler did just that, and his whole structure of iniquity fell about him.

But today, young American GI's are using that mountain retreat, at Berchtesgaden, for religious meditation. It has become a place to escape from war, and preparation for war, and to pray and cultivate the riches of the spirit.

This religious retreat, sponsored by the United

States Army, and conducted by the Chaplain's Corps, is an experiment unique in military history. It has been an overwhelming success.

Every morning, at Berchtesgaden, there is a period of Bible study, group discussion, and prayer. Each evening there is a religious movie and a program of worship.

What a marvelous conversion, from the core of Hitler's spider web of infamy to a beauty spot for the enrichment of men's lives and the blessing of all.

All evil is perverted good. Are there any dark corners in your own soul, still given over to evil, which should be used for the service of God?

## FIGURES ON PRINTING OF TOWN REPORT BOOK AND ASSESSED VALUATION BOOK

In answer to many requests for the total cost of the Town Report Books, volumes No. 1 and No. 2 and the cost of the Assessed Valuation Books, The CRUSADER managed to ascertain the following figures:

### Town Report Book - Volume No. 1

|                                    |           |
|------------------------------------|-----------|
| 3000 copies, 144 pages             | \$1202.15 |
| Cover                              | \$104.63  |
| 58 Pictures, plates at \$1.50 each | \$87.00   |
| 40 Reverse plates, at 1.50 each    | \$60.00   |
| Total                              | \$1453.38 |
| Less two percent for cash          | \$28.37   |
| Total                              | \$1425.61 |
| Overtime                           | \$117.00  |
| Actual Cost                        | \$1541.61 |

### Town Report Book Volume No. 2

|                                     |           |
|-------------------------------------|-----------|
| 3000 copies, 52 pages, based on bid | \$523.96  |
| Covers, based on bid                | \$43.30   |
| 13 pictures, at \$1.50 each         | \$19.50   |
| Actual Cost                         | \$586.76  |
| Assessed Valuation Books            | \$2514.22 |
| 2500 copies, 304 pages, bid price   | \$482.24  |
| Sewing additional, bid price        | \$2996.46 |
| Less two percent for cash           | \$59.93   |
| Total                               | \$2937.53 |
| Overtime                            | \$162.00  |
| Actual Cost                         | \$3099.53 |

The bids were based on a specified time contract, which stated that "the bidder shall state delivery date which shall be binding on the bidder".

Summing the totals up, we find that the total cost for printing was as follows:

|                                |           |
|--------------------------------|-----------|
| Town Report Book, Volume No. 1 | \$1425.61 |

| Assessed Valuation Book        | \$4990.40 |
| Add Overtime                   | \$279.00  |
| Cost Total                     | \$5269.40 |

## Liquor Regulation For Holiday Friday 19

The attention of Local Licensing Authorities, Police Officials and all licensees for the sale of alcoholic beverages is called to the provisions of the Liquor Control Act insofar as they relate to the sale and delivery of alcoholic beverages on Patriot's Day, Friday, April 19, which is a legal holiday in Massachusetts.

Hotels, Restaurants, Taverns and Clubs may sell alcoholic beverages during usual hours of sale. "Package Goods" Stores may sell alcoholic beverages between the hours of one o'clock P.M. and eleven o'clock P.M. on the holiday and until eleven-thirty o'clock P.M. the night before.

Manufacturers and Wholesalers and Importers shall make no sales or deliveries at any time during the day. Registered Pharmacists shall not sell alcoholic beverages (or alcohol) at any time during the day except upon the prescription of a registered physician.

## Pre-School Registration

All children entering grade one in September, must be registered now.

Late summer registration is only for those who move into town during the summer.

Birth and vaccination certificates must be presented. Parents are urged to bring a record of immunization.

Registration Days Will Be Held As Follows:

|  |
|--|
| Monday, April 29 - West School - 9 A.M. to 4 P.M.          |
| Monday, April 29 - M.H. Rogers School - 9 A.M. to 4 P.M.   |
| Tuesday, April 30 - Wildwood School - 9 A.M. to 4 P.M.     |
| Wednesday, April 30 - Whitefield School - 9 A.M. to 4 P.M. |
| Thursday, May 2 - Walker School - 9 A.M. to 4 P.M.         |
| Friday, May 3 - Buzzell School - 9 A.M. to 4 P.M.          |

Children from any part of town may register at any one of the schools listed above.

## LAST WEEK FOR MABEL'S DUCKLINGS

Folks, This is it!

If you haven't taken the kiddies down Main Street, Wilmington to join in the fun at the SHAMROCK DRIVE-IN, it's not too late. Because Mabel is keeping those cute, little ducklings and all the other springtime fixings for just one more week. But this Saturday will be "it" because the sponsors of the big, spring-like display, that has attracted hundreds to Mabel's new, super self-service, drive-in package store, plan to dismantle it immediately after Easter.

So, even if you have had the kiddies down there, you are invited to come down again this week (no obligation to buy anything) and see how much bigger the cute, little ducks have grown since last week. They are getting quite grown up now, and some of the dudes can even stretch their long necks over into the swimming pool, whenever they want a quick drink rather than use the small, watering jar. (By the way, none of the ducks experienced any sign of illness during their first three weeks of life at The DRIVE-IN.) They love to swim, and nothing is cuter than the sight of that dozen little ducklings splashing, about in the water - all at the same time. (Incidentally, we are told that they "swim like a fish" and "eat like a horse".)

So don't miss out this week. The kiddies are on vacation, anyway, and here is one thing to help fill in their time. Load up the family car with all the kiddies you can find, this week, and let them in on the fun. The DRIVE-IN opens every day at 9 A.M., and doesn't close until 11 P.M. and there's plenty of easy off-street parking, always.

Sponsors of the duckling display are the Elk Spring Beverage Company of Wakefield and P. Ballantine & Sons, of Newark, N.J., brewers of the famous golden brews of Ballantine Ale and Beer.

The Ballantine Brewery, which is the largest draught brewery in the entire world has just unveiled another "first". It's a quart of their popular beer in a new giant, FLAT TOP CAN. According to the SHAMROCK DRIVE-IN, this new, giant, economy size can, which can be cooled quickly and stored in the refrigerator easily, is catching on like wild fire.

## Wilmington Town Democratic Victory Ball

Tickets are now on sale for the Town Democratic Victory Ball, to be held at Marty's Penthouse in Lowell, Saturday, June 1, at 7:00 p.m. The program will consist of a Roast Beef dinner, Introduction of His Excellency, the Governor, Foster Furcolo, and dancing till 12:00 midnight. Tickets may be obtained by contacting any of the following committees: Henry F. Philippone, Frank Hagerty, Ernest Crispino, Jim McLaughlin, Eleanor Grimes, Dorothy Richards, Phyllis O'Leary, Al Lynch or Hal McKelvey. Tickets are on sale at Jim's Variety Store on Shawheen Avenue.

The amount of tickets are limited and persons desiring to attend are advised to make reservations now. Frank Hagerty will be the Master of Ceremonies and will introduce the guests. Many State and District Officials are expected to attend and, all in all, this event should prove very entertaining.

## MEMORIAL DAY COMMITTEE MEETS FRIDAY

The Committee in charge of arrangements for Memorial Day will meet on Friday, April 19, at D.A.V. Headquarters on Grove Ave., at 8:30 p.m.

## V.F.W. Movie Matinee

Saturdays showing of the V.F.W. Movie Matinee will feature "Horizons West" in color, starring Rock Hudson and Julie Adams. Accompanying films will be Chapter No. six, of "Lost City of the Jungle," and cartoons. Movie starts at 2:00 and is over at 4:15.

## MONEY LOOTED FROM WILMINGTON TRAIN DEPOT

Over \$350.00 was looted from the cashiers draw at the B. and M. Railroad station, Monday afternoon, by person or persons, who took advantage of the absence of the ticket agent by tearing the grille work of the window and emptying the cash draw.

Tom Connelly, ticket agent, had locked the station office and went out to meet the 3:12 train, Boston Bound from Lowell. Shortly after, Mr. Connelly returned to find the grille torn from the window and the money gone.

Police Chief Paul Lynch requests that anyone present at the station during that period report anything unusual that they may have noticed or heard. Officers Charles Ellsworth, Don Mercier and George Fuller are the investigating officers.

## WHITEFIELD MOTHERS CLUB MEETING

The Whitefield Mothers Club will hold their meeting Tuesday, April 23, at 3:15, at the Whitefield School.

## BOY SCOUT APPEAL

Foster Balser, Boy Scout Director in Wilmington, is appealing to the people in town for the donation of tools, to help build up camp 40 acres. Any tools, such as hammers, shovels, saws or nails, wheelbarrows and the like are sorely needed, and anyone having such are asked to contact Mr. Balser, at OL 8-4452, or the editor.

## EASTER SUNDAY AT METHODIST CHURCH

Easter Day will begin with a sunrise service at 6:30 a.m. in the church sanctuary which will be followed by the annual Easter Breakfast at 7:30 a.m. The Sunrise service and the breakfast are for the entire family and a free-will offering will be received at the breakfast.

At 9:15 and 11 a.m. the Easter Worship service will be held. The Rev. Richard E. Harding will preach on the theme: "Can We Be Born Again?" and the Senior Choir under the leadership of Mrs. W.T. Staveley will sing, Christ is Risen from the Dead, by Duncan, and "Now Let Every Tongue Adore Thee" Bach, Miss Yolander Moe will sing, "I Know That My Redeemer Liveth." These will be identical services and there will be a nursery class for small children, at the parsonage. All other children have been asked to attend services with their parents. Families will present their Lenten Self-Denial Folders during the services of worship and all gifts made will go to the new church building fund.

At 7 p.m. Easter Sunday evening, an Easter play entitled: "Barabbas, Son of the Master" will be presented by members of the Adult Fellowship of the church. The play is given under the direction of William Russell, who also has a part to play along with his wife Doris Russell, Mrs. John Adams, Mrs. Hilliard Smallidge, Richard Pelletier, with Frank McLeigh in charge of lighting and Mrs. Fred Sedon prompter. The music will be under the direction of Mrs. Wilburn Staveley.
